

Invitation - Diabetes Education Days 2019

There is something for everyone in 2019. We are facilitating days for nurses requiring basic diabetes information, and then more advanced days for those interested in insulin optimisation, analysis of blood glucose trends & fine-tuning diabetes management.

Basic day aimed at all nurses

Date: Tuesday 19 March
(repeated Wednesday 31 July)

Time: 9am – 4pm

Venue: The River Room, ground floor
Pinnacle Midlands Health Network
711 Victoria St, Hamilton

If you are doing DAR but not feeling confident, or would like to know more, this is an entry level opportunity.

- How to do a foot review (properly)
- What is retinal screening.
- Oral medications/insulin start
- Meet the industry reps
- Meet local experts

Proficient diabetes nurse day

Date: Wednesday 29 May
(repeated Wednesday 9 October)

Time: 9am – 4pm

Venue: The River Room, ground floor
Pinnacle Midlands Health Network
711 Victoria St, Hamilton

If you are confident starting someone on insulin and would like to know more this will be perfect for you.

- How other insulin regimens work,
- finding and understanding patterns in the glucose results.
- Understanding renal disease, new oral meds, sick days, ketones and more.

RSVP to: charlotte.newell@pinnacle.health.nz at least two weeks before the session.
