

You're invited to a *Zoom* Webinar

Mauri Ora Window

The art of breathing life into other people's experiences

WHEN: Wednesday 11th Nov 5:00pm - 6:0pm

Health Care Home Collaborative are extremely excited to bring you this Webinar.

Following the presentation at the World Healthcare & Nursing Conference (Rome), held virtually, Hemaima is thrilled to share this important concept.

Hemaima introduces a toolkit of triggers and reminders that are essential for developing effective relationships with patients, so inequitable differences are overcome and the patient, with their surrounding support network can navigate their health journey toward well-being.
