2021 PUBLIC HEALTH SUMMER SCHOOL

A healthier community. A better tomorrow.

Offering 24 short courses to build your knowledge
and skills.

1-19 February 2021
Wellington, New Zealand

1997-2021

Kia ora

We invite you to take a look at the 25th anniversary programme which has just been released for the 2021 Public Health Summer School.

2021 Public Health Summer School

When: 1–19 February 2021

Course length: 1-2 days

Where: University of Otago, Wellington

There are **24 courses on offer including 12 new topics** on a range of important areas, with drawing on learnings from the COVID-19 pandemic. Plus many of our ever-popular courses are back including Hauora Māori, Pacific health, epidemiology and health research methods.

To see a summary of all courses available, please view the:

COVID contingency

We acknowledge COVID-19 brings some uncertainty for considering future events. Please be assured that we will be offering a full refund of course fees for anyone registered for a course but unable to attend due to COVID-19 restrictions. You will also see on each course webpage that there is a contingency plan should course delivery need to change.

So don't hesitate, have a look at the great range of courses and take advantage of the 25% earlybird discount available until 22 December 2020. Many courses have limited numbers so don't miss out...register now.

Warm regards

The PHSS Organising team

Michael Baker | Moira Smith | James Stanley | Kerry Hurley | Fran Wright | Julie Cooper
