

Staying in contact
with your doctor
just got easier
Do it online

Manage your health any time any place with the Patient Portal

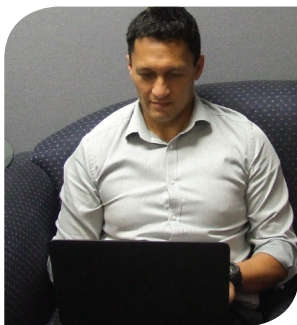

It will let you

- See your recent medical records, test results, immunisations and allergies
- Ask for a repeat prescription
- Make non-urgent appointments
- Send and receive emails to your doctor or nurse
- Update your personal details
- Share your health information with other health professionals if you want to

START NOW!

If you are 16 years or older talk to your doctor or nurse. For further information see www.haurakipho.org.nz

Note: Your doctor will tell you which of these services they offer and what fees may apply to certain services
